LEADERSHIP

Guided by Expertise, Driven by Results

Ahmed Daham leads Tasees Real Estate with a hands-on approach to high-value transactions, combining deep market expertise with a strong network across Dubai's secondary real estate market. Under his leadership, Tasees has been recognized by DXB Interact as the brokerage behind the UAE's highest transaction value to date —a reflection of his commitment to precision, discretion, and results for every client.

- **Deep Market Expertise**

  Grounded in years of hands-on experience across Dubai's secondary market.

- **Extensive Network**

  Direct relationships with landlords, investors, developers and institutional buyers.

- **High-Value Execution**

  A track record of closing the UAE's most significant real estate transactions.

thedealreport 10 w

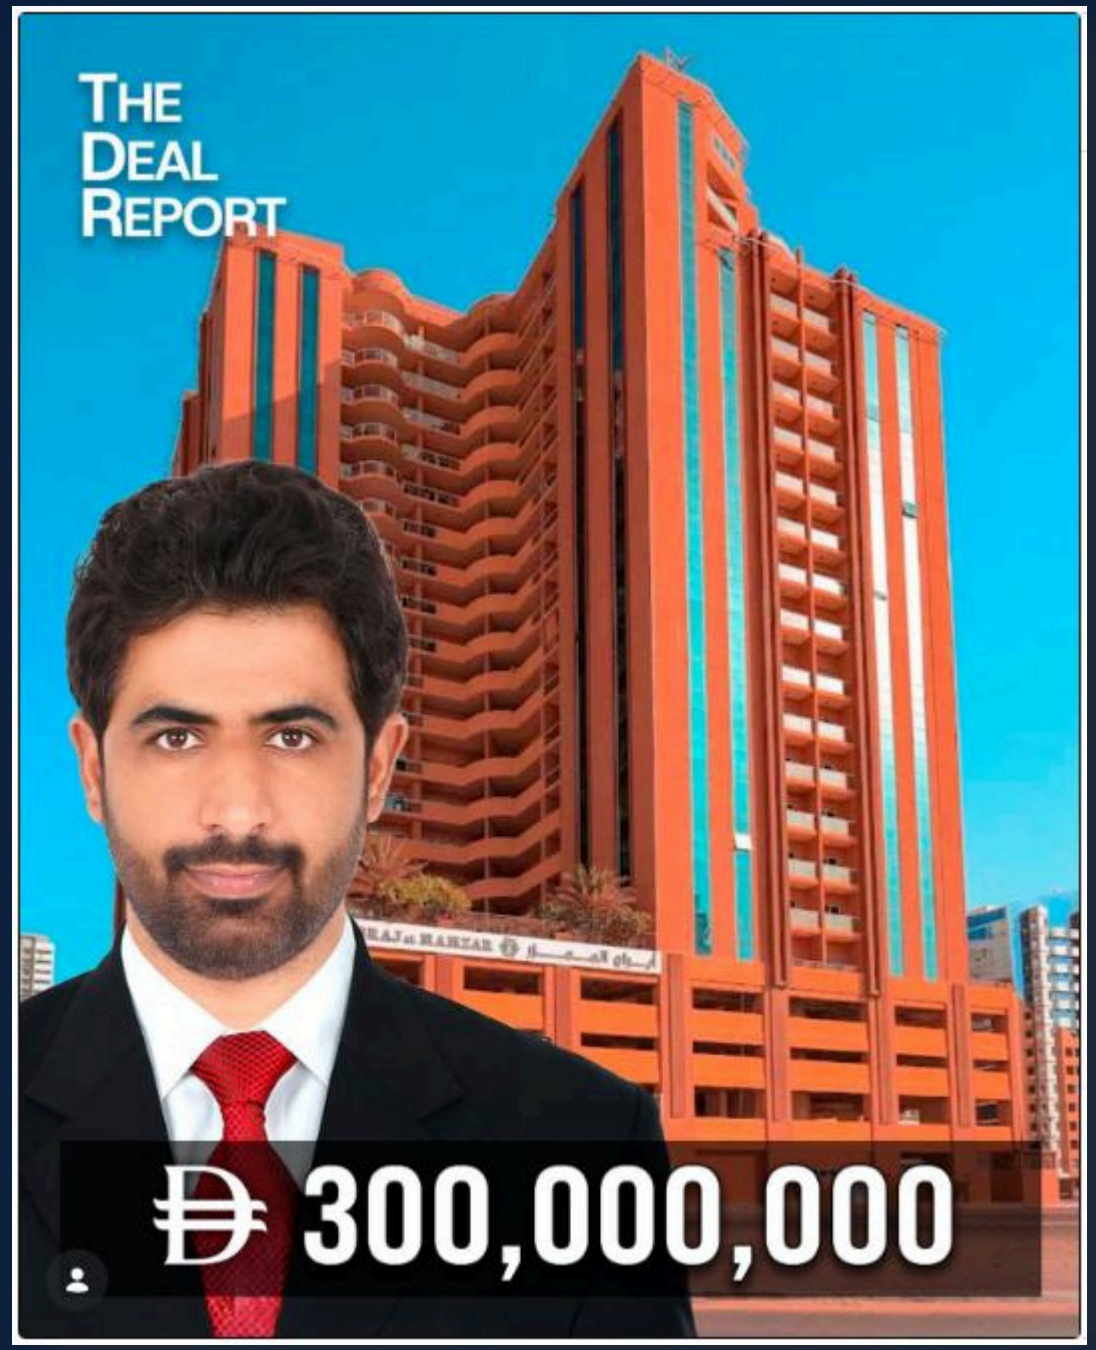

Ahmed Daham @aldaham87 of Tasees Real Estate, has closed a Đ300 million full-building transaction involving Abraj Al Mamzar Tower A in Al Mamzar, Deira.

The asset is a multi-story residential tower positioned within one of Dubai's established residential submarkets, with connectivity to major transport corridors and sustained end-user demand.

The transaction reflects continued capital allocation toward stabilized residential assets across mature Dubai communities as investors target long-term yield and occupancy performance.

Deal Snapshot

Project: Abraj Al Mamzar Tower A
Location: Al Mamzar, Deira
Asset Type: Residential Tower
Transaction Value: Đ300,000,000

In 2025, Tasees Real Estate successfully closed a landmark AED 400 million plot transaction in Downtown Dubai, marking one of the most significant land deals in the area. The transaction stands as a testament to Tasees' expertise in handling high-value real estate assets and its position at the forefront of Dubai's premium land market.
